OCA Student Leadership Council and the Senior Class of 2025 are proud to host Welcome Week this August 26th through 30th! We hope this week is a time of connection for our community that encourages school pride and, more importantly, stronger unity in Christ. We are excited to take some time this week to bond as a student body as well as recognize and honor our senior class as they lead us this year.

Please note, **all events this week will be FREE to 6th through 12th grade students**. The goal is for them to spend time together, and we don't want cost to be a barrier to that. If students choose to participate in dress-up days, they need to be clearly on theme. Should they choose not to participate, they must be in uniform. This is not a free-for-all to dress in street clothes and students will be dressed-coded accordingly. Please also be aware that our seniors are receiving some special privileges this week.
